RED SHIELD CAMPAIGN NOW UNDER WAY

Spring is the season of rebirth. When the days get noticeably longer, and the air gets warmer with promises of those lazy, hazy days of summer yet to come, it's impossible not to feel the upsurge of well being. Spring also is a reminder that the month of May brings with it the Red Shield campaign of The Salvation Army. Once a year The Salvation Army comes to you for support in its work of caring for the elderly, rescuing the unfortunate, and helping those who have nowhere else to turn. This year when the snow melts let your heart melt also and help the Red Shield bring help and the promise of spring into the lives of those to whom winter might last all year round if it weren't for the Red Shield of The Salvation Army.

YOUNG SNOWMOBILE RACE HAS SUCCESSFUL SEASON

Although he is only 13 he has to compete against men drivers, young Jerry Harrison is making a name for himself on the snowmobile racing circuit.

Over the last few weeks of the racing season, Jerry placed second in C and D stock competitions at Kearney Park.

In Emsdale he had two firsts, and two seconds, all on Artic Cats. His two firsts were in C and D Stock while his second came in Open Stock and Open Modified.

In Dwight Jerry walked away with two firsts for C and D Stock classes. Both of these wins were on an Artic Cat machine.

Jerry seems to be following in the footsteps of another great Minden Snowmobile racer Paul Prentice, who won just about everything in Snowmobile racing when he was in his young teens.

This paper would like to congratulate Jerry on his fine performances over the winter, and hope he is very successful another year in racing.

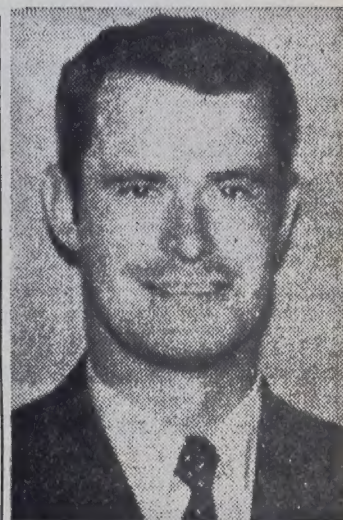

It was announced today by Mr. Daniel Brennan, Executive Vice President of Warner Bros., Seven Arts Productions that Mr. Edward H. (Ted) Campbell of Minden Ontario has been appointed General Manager of African Safari of America, Inc., with home base in New York City. At the present time Mr. Campbell will be based in Port Clinton, Ohio, until September of this year at which time he will be moved to either Orlando Florida or West Milford New Jersey.

Warner Bros., producers of fine family entertainment for many years have also announced that their Company will be spending in excess of \$153,000,000.00 over the next five years on the development of Animal Parks in the United States and Canada.

Mr Campbell was previously Secretary Treasurer and Manager of the Haliburton Chamber of Commerce Inc. of Minden.

KINSMEN DRAW WINNERS

This months draw winners were Mr. Howard Bright Scarborough win \$100.00. Mr. Ken Wilson Haliburton and Mr. Walby Bunn Minden both won \$50.00.

Ted Campbell

He has been extremely active in both County and Community affairs over the last two years, and was President of the Minden Rotary Club this past year.

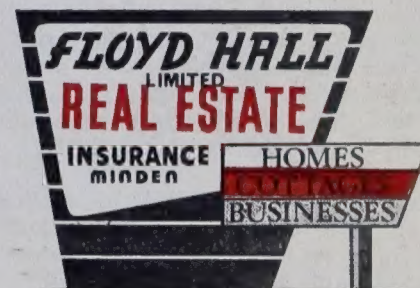

Mr. Campbell was appointed Secretary-Manager of the Haliburton Highlands Chamber of Commerce, after Mr. Norman Craig retired in 1970.

This paper on behalf of all his friends, and business associates extends best wishes and much success in his new venture.

JERRY HARRISON — WHIZ ON A SNOWMOBILE

Pictured above is young Jerry Harrison, with a few of his trophies he won over the winter snowmobile racing circuit. This young driver has a good future ahead of him in snowmobile racing.

"WE SELL THE EARTH AND INSURE IT'S CONTENTS"

HERE AND THERE

with Fenwick Finch

It sure looks like Reg. Booth hit the weather problem right on the nose. I defrosted last week's column and by the time the paper was out the weather was milder, we'd had some rain, some sun-

shine and quite a bit of the snow had gone. Now, if Reg could only solve the dogs running loose around the community we'd really have something going for us.

While we are on the subject of dogs we still have our canine nomads and, there doesn't seem to be too much being done to slow them down. However much consolation it might be we aren't the only community affected.

I read in the Star where down around Brampton they have shot over 53 dogs in the last winter. These dogs, mostly Labradors and German Shepherd were ones apparently abandoned by Metro people who had summer cottages in the area. They just finished their summer and went back to the city leaving the dogs to shift for themselves. We hear the odd story of this happening here — mostly with pussycats. Matter of fact that's how I got my last cat in 1954 — she was put in my car when I got gassed up at Norm Harrison's Service Station. Minerva was with my family for 12 years before she joined her ancestors.

I don't know how the rest of the community feel about having their garbage torn to pieces time after time by these roving dogs but I've had the "great speckled bird" as far as this type of destruction is concerned, to say nothing of the inconvenience. There is a four letter word that covers the answer to the problem — they should come up "dead".

Getting my mail at the Post Office the other day my good neighbour Tom Cox came up with an experience of his that gave me the "other side" of the column I had a while ago about Artificial Respiration. Tom was on the receiving end of the treatment. He had fallen into the lake and, after his body was recovered they started working on him. He was brought around and shipped off to the hospital. I asked Tom what his feelings were as he rode in the ambulance. He replied, "All I could think of was how much I wanted some ice cream."

As we visited in the post office one of the other gentlemen present, who has quite a sense of humour, remarked, "I've been watching those fellows working on the other side of the river bank and I've come to the conclusion that the "half-loading" regulations on the Highways must apply to their shovels as well."

Now that the snowmobilers have started to pack it in the "motocyclers" are coming out in force. The tourist season will be upon us and, it is to be hoped that our local highways won't be the scene of much lethal driving. Things in life are tough enough without getting into your car, coming up to your cottage for the week-end, and, on either the way up or the way home make some high-speed mistake and find out it's permanent.

Drive carefully, we are coming into good weather, be around to enjoy it. Until next week think on this, dieting is quite the craze, I know a guy whose girl friend told him that if it wasn't for Metreol she wouldn't have been able to get into treader pants. He's been drinking the stuff ever since.

MINUTES OF COUNCIL MEETING TOWNSHIP OF STANHOPE

Moved by Elvin Johnson seconded by Ken Whitney be it resolved the minutes of the regular meeting held March 1, 1972 be adopted as read. Carried.

Moved by Ken Whitney seconded by Jim Harrison. Be it resolved the Clerk contact Mr. Glen Hodgson, M.P.P., regarding the additional Airport Grant from the Province. Carried.

ABOUT PEOPLE AND THINGS

Not very often we have two of these columns in a row, but last week we left out a few items, so here we are once again with people and things.

Dates have been set for the second annual Progress Open. This is a unique golf tournament, for it covers 36 holes, two different courses and cash is given for prizes. The first 18 holes will be played at Beaverbrook on June 4th. The second 18 holes at Blairhampton on June 11th. Owners **DAVE STEVENS** and **DAVE SHUYLER** are more than cooperative with the Progress in holding this tournament on their courses. Last years winner, if you recall was young **JOHN WILSON** of Haliburton. One of the favourites here in Minden to win this tournament will be **DOUG HEATH** while in Haliburton **SCOTT LARUE**, is the man to watch. This week vice president of Rotary **DON HALL** has moved into the Presidents chair, some 10 weeks ahead of schedule, as President **TED CAMPBELL** has taken a job in Port Clinton Ohio. Now that spring is here, the fishing season is not too far away, ardent anglers like **GOLDIE WALKER**, **RICHE HARRISON**, **LEN LONSBERRY** and **DON BERRY** will be getting their tackle ready. For some who knew **ROSS DUGGAN**, a local boy at one time, he has been in town visiting friends. A few changes in and around Minden has our Highlands TV man **LARRY CUMMINS** taking up a new location in the Modernaire Restaurant. Larry has a great display of color TV's etc. In the store he moved out of, Highlands Plumbing and Heating have moved in, **BILL INGRAM** and **JACK HEWSON** have rented this space, and are now open for business. **JOHN FRANCIS** has taken over the service and installations from **J. O. JACKSON** Heating, John is a local boy, who has worked hard at his trade, we hope he has good success in this new venture. Another newcomer in the area is **BRUCE VAILLANCOURT** who has taken over Evergreen Resort, just outside Minden on Highway 121, a warm welcome is extended to Bruce and his family. **BLAIR BAILEY** is another chap who is well known in the area, Blair has taken over the Victoria Laundry and Dry Cleaning business in Lindsay, and will serve this area. An old hockey veteran **DEAC JACKSON** is betting heavy on Chicago, New York series, giving 5 to 3 odds on the Hawks, after the first game Deac wasn't smiling too much. Now that the boys are all wearing hard hats on the River bank project, someone quipped the other day, the next move is for **SIG WEISS** to hand out life jackets, with the high water conditions threatening. **NEIL BURK** said this past week, he hopes the arena is built for next hockey season, he claims he has one more year left, and would like Minden to come up with a strong Intermediate club. **BOB AUSTIN** claims Neil is too injury prone, and would probably be on the trading block, in exchange for half a dozen sticks and a used athletic support. Any better offers? **JOHN HOBBS** of Minden Billiards, has had a busy winter, and is looking forward to the golfing season, through his efforts in his business, we have a great number of good pool players in town. A couple who could stand a lesson or two however are **BRIAN LADURANTAYE** and **LARRY SCOTT**. **GARY VASEY** of Vasey Real Estate fame, got his feet wet this past winter in Bradford, where he sponsored and operated a Junior 'C' club, from all reports he had fair success. Thats it for this week — the way we see it.

LETTERS TO THE EDITOR

April 15, 1972
Willowdale, Ont.

Dear Mr. Greir

We have arrived safely back from Florida, and had a grand winter there. Now that we are back in Toronto please change our address.

We have enjoyed your paper all winter, never missing any of the columns and news.

Tell Fenwick Finch his jokes are great, and I might mention in the States you get as many cups of coffee as you can drink for 10c, at least that is the way we found it in Florida. Canadians can certainly learn from our visitors, public relations in business, they seem to go all out to assure you of a good time.

Keep up the good work, the paper is certainly a bright spot for Minden.

Yours truly,
Dot Everett

TOWNSHIP OF STANHOPE

1971 FINANCIAL STATEMENT AUDITORS' REPORT

To the Members of Council, Inhabitants and Ratepayers of the Corporation of the Township of Stanhope.

We have examined the 1971 financial statement of the Corporation of the Township of Stanhope. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion these financial statements present fairly the financial position of the Corporation of the Township of Stanhope as at December 31, 1971 and the results of its operations for the year then ended in accordance with accounting principles generally accepted for Ontario Municipalities applied on a basis consistent with that of the preceding year.

This motor holds the World Outboard Speed Record at 131 mph.

So what?

Most of the people who buy our Evinrude Starflite V-4's aren't racers. They just want the best engine they can buy, from whoever makes the best engines.

Setting the world's outboard speed record and holding it for 11 years has taught us a lot about how to build faster, stronger, more reliable production engines. That's why the big Evinrudes (the 85, 100 and the new 125) are all V-4's. The tougher, shorter V-4 crankshaft can take a lot more than conventional in-line crankshafts. And deliver a lot more, too. Evinrude's V-4 design also cuts down on engine height for greater stability when the going gets rough.

We think our 131 mph. record has helped give you a better outboard. And if our competition didn't think so, why are they still trying to beat it?

See the complete Evinrude line, 16 models from 2 to 125 hp., at your dealer's now.

"KAH-KAH-GAY HYLAND RAVANS MASCOT"

The Hyland Ravens will have a real live mascot at many of its home games this year. Kah-Kah-Gay is the Indian name for Ravan. A few weeks ago a family moved down to Minden from Red Lake and brought with them a full grown Ravan that they have offered as a team mascot. So all you Ravan supporters this season, come on out and sit with Kah-Kah-Gay and cheer the Hyland Ravens to victory.

On Monday evening in the Public School Gym, the Ravens held their first spring practice and there were some sixteen players on hand for positions on the team.

A rumor that I heard last week about the Irondale Flyers having folded due to lack of players appears true. Some of the players have already started practices with other teams in the league. The Ravens have negotiations with two or three of the players. Fred Simmons and Norm Graham are two important players, this new team in the Haliburton County league would be more than a little interested in.

Anyone interested in playing softball this season are more than welcome at the next practice at the Public School gym at 7:00 p.m. next Monday; Pitchers interested are a prime target of all the teams in the league and the Ravens are of no exception.

Just a reminder to all team representatives that there is a softball meeting tonight (Thursday) at the Municipal building at 7:00 p.m. Lets have a good turn out from each team, as their will be election of officers for this season. rules drawn up and umpires appointed.

"JUNIOR SNOOKER TOURNAMENT RESULTS"

Winner of the first Minden Billiard Junior Snooker Tournament was John Swann. John picked up first prize of a two-piece cue that owner John Hobbs of the local Billiard Hall had up as top prize. Second prize of \$6.00 went to Kim Hewitt who gave John a great run for top spot as he was in the lead 100 - 97 points at the end of two games, but succumbed to a great finishing bust by John. Third prize was won by John Pentney who picked up \$4.00 and fourth prize of \$2.00 was taken by Wayne Moxam.

SHUFFLEBOARD —

In last weeks Dominion Hotel Shuffleboard Tournament the winners were Doug Robinson and Basil Stevenson. This will be the last week of the tournament and there is still a fight for first place between Bud Anderson and Hugh Austen.

PREDICTIONS OF THE WEEK —

The Stanley Cup Semi-finals are now under way and there is no Canadian team left in competition as the Montreal Canadiens were eliminated in six games last week by the New York Rangers. Too bad Al, maybe next year the Canadiens will live up to your expectations.

Predictions on the outcome of the semi-finals are Chicago Black Hawks over New York in seven games. Boston Bruins over St. Louis Blues in five. The Blues are tough at home.

BAY OF QUINTE CONFERENCE HELD IN LINDSAY

The 10th annual meeting of the Bay of Quinte Conference Unitel Church Women was held in Queen Street Church on April 10 and 11 with an attendance of over 200. The Theme of the Conference was 'Love Is The Issue'. Mrs. Eaton of Queen's Park spoke of her work in the multicultural society. The importance of filling out reports was impressed on the ladies with a skit, Dear Betty. A youth oriented stewardship event will take place in Woodville April 24 6 to 9 p.m.

Miss M. Brown and Mrs. J. Goldie presented highlights on a Nation Poverty Consultation. Poverty is controllable if we have the will to do it. A guaranteed income might help. Root causes must be dealt with. Services set up to help poverty are sometimes second rate.

Major McCorkuodale of the House of Concord, north of Toronto, was the dinner guest speaker. Taking as his topic, 'Part of the Problem is Part of the Answer or vice versa'. He told that The House of Concord provides a home for 114 boys, ages 16 to 17, who come from Provincial Courts but not necessarily from broken homes. They are involved in educating these boys for a career. They try to interest them in skills and introduce them to work at Service Stations and Greenhouses in particular. Their greatest problem with the boys is drugs and they do help them to withdraw from these but can only do so when they themselves are ready. The U.C.W. does have a voice who should be heard as we have part of the Answer and not Part of the Problem.

Mrs. Marsh of Belleville was in charge of the 10th Anniversary Service. The Peterborough Presbyterial presented a humorous skit. The ten years of U.C.W. was commemorated by the lighting of candles by the past Presidents, namely, Mrs. F. H. Ferguson, Mrs. R. C. Ellis, Mrs. L.F. Richardson, Miss V. Neal, and Mrs. W.H. Seigil to represent the years of their service and the purpose of the U.C.W. was quoted under, Witness, Study, Fellowship and Service. The lighted candle was extended to the new President. The worship in music was very ably conducted by Mr. Q. McKinney of Peterborough.

A study of India was very interestingly presented by the Oshawa Presbyterial. The Chairman of World Missions Dr. Service of Lindsay who has recently made a tour of India. In his address he told us Unity, Hope, Witness and Service is necessary to proclaim the love of Jesus Christ in the Church of India. The World Organization of Churches have set themselves up to work in India and Bangladesh. He asked that we try to stimulate churches to support the relief service to bring them the hope that only we can. He also showed us many interesting slides that he had taken and made very informative comments. To change the pace we were conducted on a tour of the church hall where a great many items and slides of India were arranged and explanations made.

The evening meeting was brought to a close with a worship service presented by the Kingston Presbyterial.

The morning session opened with devotions taken by Mrs. M. C. Fisher of Peterborough using Matt. 22: 34-40 and 'Love' as the theme.

The highlight of the Spiritual Retreat was Rev. Dr. H. Parker, Professor of Old Testament and Hebrew Literature at Queen's Theological College in Kingston using as his text 'Things are seldom what they seem. There should be faithful-

ness under all circumstances, affluence, indifference and apathy. There is no immediate reward for those who are faithful. To exercise our faithfulness to Christ in running the race we must remember four things; keep our eyes on Jesus who has already run the race and not to grow weary or fainted hearted.

A few hours were spent in Bible Study groups and was followed by the installation of the new officers and the dedication service conducted by Mrs. J. Black, President of the Bay of Quinte Conference. The meeting closed with a few remarks from the new President, Mrs. Clayton Thompson, Campbellford. Secretary for the Bay of Quinte Conference U.C.W. is Mrs. K.C. Weaver, Stirling and Treasurer is Mrs. T. W. Spear, Trenton.

A journey of a thousand miles begins with one step and promises bring responsibilities.

Throughout the year, volunteers do a lot you never hear about in the fight against cancer. They drive patients to clinics, and supply small comforts such as tea and coffee.

They visit schools and various groups to show films and talk about ways to prevent cancer.

Some 50,000 of them conduct the annual campaign for funds that are needed in the fight against cancer. Give your share when the time comes.

TOWNSHIPS OF ANSON HINDON AND MINDEN HELD COUNCIL APRIL 12TH

The Council met in the Council Chambers with Reeve Charles Brandon in the chair. Also present were Deputy Reeve R. Windover and Councillors R. Booth, R. Gorrie, D. Pritchard. Clerk-Treasurer Richard Parisotto Earl Hewitt, Road Superintendent and Siegmund Weiss By-law Officer were also present.

Moved by R. Booth seconded by R. Windover: That the minutes of the meeting of March 8, 1972 be approved. Carried.

Mr Robert Cowan, Mr Floyd Hall and Mr. Don Hall were present for the annual insurance policy review. The proposal as amended by Council will be presented at the next meeting.

Mr. Glover and Mr. Shaver were present regarding the future status of a roadway serving 12 Mile Lake. Council is to visit the site when weather permits before deciding on any action.

Reeve Don Williams and Deputy Reeve Bert Shingler of the Township of Lutterworth were present regarding the proposed fire protection agreement. A preliminary agreement was drafted which will be confirmed at the next meeting.

Mr Peter Fowler and Mr. Eric Czarnecki of the Ministry of the Environment were present regarding the condition of Well no. 2 at the Pump Station.

Moved by R. Windover seconded by R. Booth: That we authorize the rehabilitation of Well no. 2 at an approximate cost of \$3500 as outlined by Officials of the O.W.R.C. at this meeting. Carried.

Letter was received from Mr. J.K. Wahl regarding the possible joint sharing of survey costs on property in Lot 11, Conc. 1, Twp. of Minden. Council felt such action would be inadvisable.

Moved by R. Booth seconded by R. Windover: Pursuant to Section 4 (c) of By-law 6-70 the frontage on the property on Bobcaygeon Road belonging to Mr. Lorne Schmidt be established as 200' for frontage charge purposes. Carried.

Moved by R. Windover seconded by D. Pritchard: The clerk be authorized to purchase 1000 ft. of 2 1/2" fire hose for Fire Department. Carried.

Moved by R. Gorrie seconded by R. Booth: That we advise Boice Motor Sales to install a 391 motor in the truck instead of the 361 as was tendered. Subject to the approval of the District Municipal Engineer. Carried.

Moved by R. Windover seconded by R. Booth: That we purchase 6-900 x 20 12 ply tires from Minden Tire Sales at \$105.00 each plus Sales Tax. Subject to the approval of the District Municipal Engineer. Carried.

Moved by R. Booth seconded by R. Gorrie: That the Clerk contact the Dept. of Transportation and Communications re: the power grader for the year 1972. Carried.

Moved by R. Windover seconded by R. Booth: That the Road Accounts be approved in the amount of \$8,373.39. Carried.

Moved by R. Windover seconded by R. Booth: Tender for Liquid Calcium, (Flake Bagged) Calcium and road oil be called. Carried.

Moved by R. Windover seconded by R. Booth: That the Road Accounts be approved in the amount of \$8,373.39. Carried.

Moved by R. Gorrie: That the Accounts payable be approved in the following amounts. General \$31,711.40 Water 35.64. Carried.

Special meeting of Council will be held on April 26, 1972 at 9:00 a.m.

Moved by R. Booth seconded by R. Gorrie: That we do now adjourn until April 26th, 1972. Carried.

ADELAIDE DANIELS

SAYS

PSYCHE YOURSELF TO SLIMNESS

For many people, overweight is largely based on a psychological problem.

If this is true in your case, you can turn the source of your overweight to advantage and psyche yourself to slimness.

First, of course, you must be convinced that the time has come for you to lose weight.

Once you have decided this, a prime requisite to your success is to think thin. It's of the utmost importance that you should build a thin new self-image, and keep that goal in mind.

From that point on, do everything possible to live in a psychological atmosphere that supports your intention to achieve an ideal weight.

Don't talk about dieting. Just follow your food plan unobtrusively, and without interference. Unless they are also dieting, friends and family can unintentionally hinder your programme. Once you have your doctor's approval of your weight reducing plan, turn a deaf ear to those who warn you that you're ruining your health, or who may test you by urging the wrong foods on you.

Keep busy. As you begin your weight reducing programme, start a new project such as redecorating a room — or take up a hobby such as bowling — or join an evening class on a subject that absorbs you. You'll be surprised to find to what an extent keeping busy can take your mind off food.

Forget yesterday. What you did yesterday cannot be helped, but what you do tomorrow can. If your control slips one day, take a firm grip on it the next. And don't be surprised if you don't lose all the weight you want to in one week — after all, it took more than a week to gain it.

Avoid self-pity. Don't fall into the "Poor me, I'm on a diet, I can't go anywhere" attitude. Self-pity is one of the most dangerous temptations to compensate by overeating.

When your willpower slips, be aware. Don't feel guilty, since a sense of guilt can lead you to punish yourself unconsciously. Paradoxically, this self punishment can take the form of going on a real eating binge.

Space out your meals so that the pleasure of eating extends over the whole day. Spreading your approved meals throughout the day keeps temptation away. It also prevents overeating at one big meal a day. If you skip meals, you're so hungry when you do eat that you almost invariably overdo it.

Think positively. If you believe that you can achieve an ideal weight, you will. To a large extent, the shape you're in begins in your mind.

With Jeanne Sears

Apollo 16 is on its way for a twelve day mission to the Moon. This time disease germs will be dropped to see if they survive there. Research is supposedly the reason for this costly journey.

Winner at the weekly Mini Card Party last Thursday were for cribbage Mollie Locke and Chris Dollo and for euchre Vera Ward and Marcella Wright. These will continue for this Thursday and the last Thursday in April.

Strikes again in the news — Doctors and technicians are carrying on strikes in Hospitals in Quebec and garbage still piles up in Toronto. Wonder who will go out next? Housewives !!

Congratulations to Thomas Newell on the occasion of his 84th birthday last weekend. Dr. Edith Newell and Ellen Wainwright of Sudbury visited the Newells this past weekend.

We note the news that four deer have been killed by dogs running loose. The Department of Lands and Forests have laid charges. Dogs in this village have to be licensed and kept tied up but heard that only 89 licenses had been sold for this year in our village. We are sure there are more than 139 dogs in our municipality.

The High School Glee Club are to present the Gilbert and Sullivan play *Patience* throughout the County. If you have a chance be sure and see what fine talent is present in this school.

Hint of the week — Mix your pancakes in a wide-mouth pitcher, easy to pour and often your mixer will fit in this.

NHL games begin in the Semi-finals this week; sorry for the avid Montreal and Toronto fans, these teams really went down in very exciting games.

Congratulations to the newly weds Mr. and Mrs. James Ackers (nee Nancy Lee McKelvey) who were married on Saturday.

Everyone sends good wishes to Mrs. Bill Prentice who is presently a patient at Toronto General Hospital.

Correction from last week — Congratulations to the newly weds Mr. and Mrs. Keith Kernohan (nee Valerie Hogg).

Now is the time. Ah, friend, no longer wait
To scatter loving smiles and words of cheer
To those around whose lives are now so dear,
They may not meet you in the coming year —
Now is the time!

The Moon will probably be our next vacation spot. People who go there won't have an earthly thing to do.

With all the lakes and rivers in flood with the spring thaw, be careful whether boating or letting the little ones out to play. This Province had five drownings over the weekend.

Spring seems to be here, snow in one corner of our yard but the crocus are out in one flower bed.

Cheerio until next week.

Men Still At Work On River Bank Project Here

Pictured above four of the work crew inspect timber on the River Bank improvement sight, from left Ron Mercer, Gordon Perry, Ken Brockman and Baldi McKnight.

The Rotary Club of Minden started this project on the north side of Gull River, the Municipality picked up the ball, and through the planning of Sig Weiss, the Building Inspector the project to improve the River Bank is still underway.

Ontario Government Grants under the Winter Works Program is paying for all labour, with this boost, Minden will benefit with a very attractive Gull River.

Altogether some 750 feet will be improved with very little expenditure to the Municipality of Anson, Hindon and Minden.

Besides improving the River Bank, the job has employed many men, who might be unemployed at this time of year.

The project will be finished at a later date, when top soil and grass seed will give the finishing touches.

NOW IT'S 'BRUSH-INS' FOR THE YOUNGSTERS

An expanded dental public health service in Victoria Haliburton, Durham and Northumberland counties has been announced by Charlotte M. Horner, medical officer of health for Haliburton, Kawartha, Pine Ridge Public Health Unit.

Disclosing details of the program Dr. Horner said that added to the basic program initiated during the last school year are 'brush-ins' in Grade 3 and 4 and 'floss-ins' for Grades 7 and 8. In the fluoride brush-in program, in Grade 4, students have the opportunity to reduce tooth decay from 20 to 40 per cent in the next year. In this supervised classroom program, students brush with a special fluoride paste which hardens the tooth surface.

On the basis that every Grade 4 student will develop at least one new cavity in the next year this one program alone is saving the parents in our counties \$7,500 in dental bills, said Dr. Horner.

In Grades 7 and 8, students are involved in the floss-in program which includes a dental health lesson, an instructional film, and also the materials required to practise 'plaque control.' Dental plaque is that thin, white film on the tooth surface in which mouth bacteria thrive and cause damage. The tooth brush will clean the top sides of the teeth but will not remove plaque from the surfaces between the teeth where a good deal of tooth decay and gum disease occurs. Dental floss (which is available in every drug store) if used once daily, will effectively clean this area between the teeth and help prevent tooth decay and gum disease.

Pictured here is another gang of men working on the River bank project. This crew is getting timber notched out ready for the job. All timber planks are 16 feet long, and must be fitted carefully so they will not be moved by high water or ice. From left Alf Richardson, Richard Walker, Jack House, Ross Keefer and Micky Lee. Harold Coulter, not shown in these pictures, is foreman on the job, while Sig Weiss, Building Inspector for the Municipality is in complete charge of the work.

TENDER

FOR TRUCK

SEALED TENDERS, clearly marked as to contents will be received by the undersigned until,

FRIDAY, MAY 5, 1972

for the supply of one only 4 ton truck, cab and chassis, two-way spreader Vee plow and front harness. Tender forms and specifications may be obtained from the Clerk of the Township of Lutterworth at her office (closed Wednesday's). All bidders must use Township tender forms.

Lowest or any tender not necessarily accepted.

F. Miller
Road Superintendent
Township of Lutterworth
Box 176, Minden, Ontario

Most of the improvement on the Gull River is done by hand labour, gravel is brought in, timbers are tied into the bank and filled in by hand. On the outside of the wall gravel is brought up almost to timber level, to help prevent wash-outs. Hard at work here from left, Ray Trumble, Dusty Sutherland, Chris Hill and Junior Alton. River bank will be competed later in the spring with top soil and grass seed.

DOLLARS AND GOOD SENSE

by William J. Martin

Mr. Martin serves as special consultant to Avco Financial Services. All questions should be sent to him at P.O. Box 5875, London Ontario, Canada. Those containing a name and address will be answered in this column or by direct return mail. No names will be used in print.

Do you get the feeling that the affluence we North Americans are supposed to share has missed you? Do you think that all the talk about our high standard of living is a little exaggerated?

If you feel poor in the face of

this wealth, I have some words of encouragement today. Compared to citizens living elsewhere in the world, you are wealthy. Americans, for example, have one motor vehicle for every two and a half persons. Think about it. That's a pretty good indication of affluence, I'd say.

Before you start to talk about inflation and taxes, let me say that, even taking those items into account you're still well ahead of the game. Spending for health and education, good indicators of spendable funds, is very high in North America.

In the U.S., less than 20 per cent of the paycheck goes for groceries. In many countries the figure is over 50 percent.

In New York, the average worker works about 20 minutes to earn enough to buy a pound of rib roast. In Moscow, by

comparison, it takes more than an hour.

What about the good old days before all these taxes and high inflation? In 1911, per capita income in the U.S., after taxes, was \$994. Today it is \$1700. That's per capita, everybody in the country, and the figures are discounted for inflation.

So that, while taxes and inflation have certainly taken their share of our fathers and grandfathers had and more than our neighbors in most countries of the world.

Where has it gone? In a word lifestyle. You and I are indeed living better today, on the average, than we ever have. We have bigger homes, better cars and nicer clothes. We entertain more, take better vacations and simply have things a lot easier than ever before.

Do you feel better yet? Look around you and see for yourself how affluent you really are. Don't take your style of living for granted.

CBC TALENT FESTIVAL

Frances is just one of thousands of young musicians who practice hard all year to prepare for the CBC Talent Festival Auditions. If you're between 15 and 30 years old and a Canadian, you can try out in areas of voice, piano, strings and winds. Need more information? Write to CBC Talent Festival Auditions, Box 500, Terminal A, Toronto.

The Expropriations Act

NOTICE

OF APPLICATION FOR APPROVAL TO EXPROPRIATE LAND Department Of Transportation and Communications

IN THE MATTER of an application by the Minister of Transportation and Communications for approval to expropriate in the Township of Minden, in the Provisional County of Haliburton, in the Province of Ontario.

FOR THE PURPOSE of acquiring sufficient land for the diversion of Highway Number 35.

NOTICE IS HEREBY GIVEN that application has been made for approval to expropriate the land described in the schedule hereto.

Any owner of lands in respect of which notice is given who desires an inquiry into whether the taking of such land is fair, sound and reasonably necessary in the achievement of the objectives of the expropriating authority shall so notify the approving authority in writing,

(a) in the case of a registered owner, service personally or by registered mail within thirty days after he is served with the notice, or, when he is served by publication, within thirty days after the first publication of the notice;

(b) in the case of an owner who is not a registered owner, within thirty days after the first publication of the notice.

THE APPROVING AUTHORITY IS

Minister of
Transportation and Communications
Parliament Buildings,
Toronto 5, Ontario.

NOTES:

1. The Expropriations Act, provides that,
(a) where an inquiry is requested, it shall be conducted by an inquiry officer appointed by the Minister of Justice and Attorney General;

(b) the inquiry officer,

(i) shall give every party to the inquiry an opportunity to present evidence and argument and to examine and cross-examine witnesses, either personally or by his counsel or agent, and

(ii) may recommend to the approving authority that a party to the inquiry be paid a fixed amount for his costs of the inquiry not to exceed \$200 and the approving authority may in its discretion order the expropriating authority to pay such costs forthwith.

2. "owner" and "registered owner" are defined in the Act as follows:

"owner" includes a mortgagee, tenant, execution creditor, a person entitled to a limited estate or interest in land, a committee of the estate of a mentally incompetent person or of a person incapable of managing his affairs, and a guardian, executor, administrator or trustee in whom land is vested;

"registered owner" means an owner of land whose interest in the land is defined and whose name is specified in an instrument in the proper registry, land titles or sheriff's office, and includes a person shown as a tenant of land on the last revised assessment roll;

3. The expropriating authority, each owner who notifies the approving authority that he desires a hearing in respect of the lands to be expropriated and any owner added as a party by the inquiry officer are parties to the inquiry.

SCHEDULE

All right, title and interest in the land described as follows: In the Township of Minden, in the Provisional County of Haliburton, in the Province of Ontario, being:

(a) Parts of Lot 7, Concession 8, designated as PARTS 3 and 4 on Department of Transportation and Communications' Plan P-2904-45 deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R-220.

(b) Parts of Lot 6, Concession 8, designated as PARTS 16 and 17 on Department of Transportation and Communications' Plan P-2904-51 deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R-221.

This Notice first published on the 6th day of April, 1972.

NOTICE

As of May 1st., 1972, we are changing over to a strictly cash and carry business under the name of "Walker's Cash and Carry", so if you are planning on doing any remodelling or new building please give us a try as our service will be as good or better than before and our prices lower.

We have appreciated your business in the past and hope we can continue to be of service in the future.

Jack Craine, director of CBC Radio, English Services Division, announced the winners of the CBC Talent Festival 1971-72 during the broadcast finals of the 13th annual music competition in Winnipeg April 7. First prize winners received \$2000 and second, \$1000.

In the string category, they are Malcolm Lowe, Regina (1st) and Luis Grinhauz, Montreal (2nd); woodwinds and brass: Louise Courville, Longueuil, P.Q. and Remi Menard, Sainte-Foy, P.Q. both honorable mentions; piano: Linn Hendry, Victoria, B.C. (2nd) and Sharon Krause Chilliwack, B.C. (honorable mention); and voice: Anna Chornodolska, Montreal (1st) and Ann Cooper, Toronto (2nd).

Auditions for next year's competition are currently underway. Applications may be obtained by writing CBC Talent Festival, Box 500, Terminal A, Toronto.

Still in the award department, CBC Radio has won a Merit Certificate in the music category, non-commercial division, of the Eighth Annual Major Armstrong Awards for the program 'Glenn Gould Plays Bach'. The program was written directed and produced for MusicScope by Gould and broadcast on the CBC AM and FM networks last year. The Major Armstrong Awards are given for excellence and originality in FM broadcasting.

In 1970-71, CBC Radio organized an Oral History Project, offering a \$1000 prize for a historical documentary essay on tape. One of the two winners of that Project will be heard on CBC Tuesday Night, April 25. Entitled The Shetland Year, it's a collection of interviews, songs and other festivities which mark the passing of the seasons in rural Scotland, prepared by Margaret MacKay of Toronto who now lives in Scotland. Since 1967 Miss MacKay has been studying the Scots language, traditional culture, history of the language and literature as well as Scots Gaelic poetry, music, and folklore.

Five years after the military coup in Greece, Canadian Greeks are still deeply affected by the political turmoil in their homeland. On Saturday, April 22, a one hour look at the Greek and his life in Toronto and Montreal will be heard on Identi-

ties.

The Royal Winnipeg Ballet is one of Canada's leading cultural exports and during its tours abroad has impressed audiences with the energy and vivacity of its dancers. Between Ourselves, Monday, April 24, presents a profile of the RWB, including interviews with Secretary of State Gerard Pelletier, External Affairs Minister Mitchell Sharp, impresario Sol Hurok among others.
